Our Motto — Work Conquers All
Our Vision — Every child improving, every day in every way.

**Principal Communication**

**Dates to Remember:-**

- NEXT P & C meeting (**Monday**), 12th October 6:00P.M.
- Next Playgroup week 8 (**Monday**), 31st August 9:15a.m.
- School Concert **Wednesday**, 9th September
- Student Rewards Day **Friday**, 10th September
- 3 - 6 school camp week 10, (14 - 18th) September
- P - 2 excursion, **Thursday** 17th September

Students continue to work hard and are focussing on their learning. Many visiting teachers consistently comment on our children’s good manners and hard work ethics.

On Thursday and Friday next week, we are having Mr Giles and Mr Rathmell visit our school. They will be speaking with students, staff and parents. We welcome them both to our school community and look forward to the observations they will make and the feedback they will provide, so that we can continue to improve our great school.

You may have noticed Mrs Wex is working more now. Next term we are sure she will be back working full time.

Students and teachers are working hard to prepare for the concert.

Thanks to the student council and the P and C, for the great efforts in fund raising. The combined effort has saved a considerable amount, off the cost of the camp for families. Additionally, the Prep - 2 students are able to enjoy a special excursion to the Ten Pin Bowling complex during camp week.

The P and C have some great fund raising events planned for the next few weeks. It would be really great if you could help them with any of these events. On the 12th of September, there is a yard sale and help is needed. On the 13th September, there is a special night at the Art gallery and the P and C have been asked to cater. As these events will help raise money for the P&C, it is your child/children who will benefit. Please contact the school for more information.

The P and C will be operating a Fathers Day stall before school on **Wednesday** and **Thursday** morning next week. All gifts are $5.00 each.
From Miss Matherson

Last week students participated in a maths test. I am pleased to announce that most students showed very good improvements and results. The hard work and diligent attitude students have been displaying, has payed off. Thanks for the support at home as this too helps a great deal. Students will be continuing to look at directions, positioning, symmetry, flips and turns and rotations, translations and Cartesian coordinates, as well as division strategies and revision of the terms work. The homework going home is a direct reflection of what is being taught in class or what has already been taught.

Students were given their goals for the rest of this term and the beginning of next. Please display them somewhere visual and talk with your child/children about how they are going to achieve their goals. Each goal is set specifically for each student to meet their own needs. The goals look different from last term, this is due to the types of tests and the feedback from students and staff.

Our STARS this week

Congratulations to all our stars this week. Dylan Steinhardt received the Principals award for being organised, safe, persistent and getting along—he put in a great effort last week. Chase Kendall received a student of the week award for his excellent work in Maths. Kevin Lippiatt received a merit award for putting in a big effort to complete his science tasks. Gemma Beutel and Santino Kuchtin received the bookwork awards for their excellent bookwork presentation. Riley Sewell added another certificate to his list completing yet another level in his sight words.

Tingoora Hotel Specials

The Tingoora Hotel have some super specials, this coming week. On Wednesday night they have great Chicken Schnitzel with vegies or chips and salad for just $10.00. Thursday night is Steak night for just $13.00, with chips, vegies or salad; Friday night is pasta night - any pasta dish on the menu for just $10.00.
